

# NANOSENS 2010

NANOSENSORS FOR  
INDUSTRIAL APPLICATIONS

2 - 3 December 2010  
Tech Gate Vienna /Austria

## CALL FOR POSTERS

**NANOSENS 2010, 2 – 3 December 2010, Tech Gate Vienna, Austria**

This two day conference is an information and discussion forum presenting recent R&D results in four selected fields with highest application potential. NANOSENS 2010 will bring together industry leaders and academic research in Nanotechnology as well as advanced students.

### IMPORTANT DATES

**Deadline of submission of abstracts:** 22 October 2010

**Notification of acceptance:** 27 October 2010

### FRAMEWORK FOR POSTER CONTRIBUTIONS

#### 1) INSTRUCTIONS FOR ABSTRACTS

The main themes for contributions to be submitted are:

**Session 1: HETEROGENEOUS INTEGRATION**

**Session 2: NANOSENSORS FOR BIOMEDICAL AND ENVIRONMENTAL APPLICATIONS**

**Session 4: FUNCTIONAL LAYERED SYSTEMS**

**Session 4: 3D-SYSTEM INTEGRATION**

Abstracts are now invited for the accompanying poster session (**submission not later than 22 October 2010**).

For your abstract submission you have to use the template (download on the website) for abstracts which is suitable for publication! **Please remember to spell check your entire paper!**

#### 2) CONDITIONS OF ACCEPTANCE

- Authors are expected to secure funding for travel, and accommodation, before submitting abstracts. **This will not be covered by the organisers of the NANOSENS 2010.**
- Only original material should be submitted.
- Commercial papers and papers with no new research/development content will not be accepted
- Exhibition opportunities available (Information: [www.nanosens.at/Exhibition](http://www.nanosens.at/Exhibition))
- Abstracts should contain enough detail to clearly convey the approach and the results of the research.
- By submitting your abstract you agree that all permissions have been approved, and authorise the organisers of NANOSENS 2010 to circulate your abstract for review and selection purposes and if it is accepted, to publish your abstract in the conference documents. Authors are required to attend the conference to present their work. Papers will not be published where no author attends the meeting.

Please send abstracts to: [office@nanosens.at](mailto:office@nanosens.at)

#### 3) INSTRUCTIONS FOR AUTHORS

Posters should be in vertical format (DIN A0, height: 118 cm; width: 84 cm). Posters will be fixed with a tape (supplied by the organiser).

*If you have any other questions please do not hesitate to contact us at [office@nanosens.at](mailto:office@nanosens.at).*
